Application of Accounting Standard for Revenue Recognition and other related standards

The Company began applying the "Accounting Standard for Revenue Recognition" (The Accounting Standards Board of Japan (hereinafter referred to as the "ASBJ") Statement No. 29, March 31, 2020; hereinafter referred to as the "Revenue Recognition Accounting Standard") and other related standards at the beginning of the first quarter of the current consolidated fiscal year. Accordingly, when control of any promised goods or services is transferred to customers, revenue is recognized in the amount expected to be received in exchange for said goods or services. The application of the Revenue Recognition Accounting Standard and other related standards is in accordance with the transitional treatment stipulated in the proviso of paragraph 84 of the Revenue Recognition Accounting Standard. The cumulative effect of the retrospective application, assuming the new accounting policy had been applied to periods prior to the beginning of the first quarter of the current consolidated fiscal year, was added to or subtracted from the beginning balance of retained earnings of the first quarter of the current consolidated fiscal year, and thus the new accounting policy was applied, having started from the said beginning balance. The changes in accounting policies have no impact on the quarterly consolidated financial statements.

The Company has made no reclassification for the previous consolidated fiscal year by using the new method of presentation in accordance with the transitional treatment stipulated in Paragraph 89-2 of the Revenue Recognition Accounting Standard. Furthermore, the Company does not state information on the breakdown of revenue generated from the contracts with customers for the first nine months of the previous consolidated fiscal year in accordance with the transitional treatment stipulated in Paragraph 28-15 of the "Accounting Standard for Quarterly Financial Reporting" (ASBJ Statement No. 12, March 31, 2020).

Application of Accounting Standard for Fair Value Measurement and other related standards

The Company began applying the "Accounting Standard for Fair Value Measurement" (ASBJ Statement No. 30, July 4, 2019; hereinafter referred to as the "Fair Value Measurement Accounting Standard") and other related standards at the beginning of the first quarter of the current consolidated fiscal year. The Company has decided to apply the new accounting policies outlined in the Fair Value Measurement Accounting Standard and other related standards for the foreseeable future in accordance with the transitional treatments stipulated in Paragraph 19 of the Fair Value Measurement Accounting Standard and Paragraph 44-2 of the "Accounting Standard for Financial Instruments" (ASBJ Statement No. 10, July 4, 2019).
