Amvis, Inc.

Amvis Opens Ishinkan Kita-Narashino , Its Thirteenth Facility in Chiba Prefecture

On November 1, 2026, Amvis, Inc. (headquartered in Chuo-ku, Tokyo; Representative Director: Shogo Masui) opened Ishinkan Kita-Narashino, a residential nursing home with a capacity of 53 residents, in Funabashi, Chiba Prefecture. This is its Thirteenth facility in the prefecture.

Ishinkan is a residential nursing home with comprehensive nursing and caregiving support. It provides a place where people who require nursing and caregiving 24 hours a day, 365 days a year, and who find it difficult to continue receiving care at home or in conventional care facilities, can live with peace of mind.

By opening Ishinkan facilities, we aim to expand the options available to people who wish to continue receiving care in their familiar communities and to complement local healthcare delivery systems.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a residential nursing home equipped to provide care that offers peace of mind, delivered by nurses and caregivers 24 hours a day, 365 days a year. It actively welcomes people with high medical dependency, including those with terminal cancer or neurodegenerative diseases and those who require ventilators. It works closely with local medical institutions, pharmacies, and care service providers, serving as a platform for regional healthcare.

Notes:
As of the end of October 2026, the Amvis Group operated 139 facilities with a total capacity of 7,232 residents.
