**Notice Regarding the Delay in Disclosure of the Financial Results
for the Third Quarter of the Fiscal Year Ending September 30, 2025
Beyond 45 Days After the End of the Quarter**

We hereby announce that the disclosure of the financial results for the third quarter of the fiscal year ending September 30, 2025 will be delayed and is expected to exceed 45 days after the end of the quarter, as set forth below. We sincerely apologize to our shareholders, investors, business partners, and all other stakeholders for the significant inconvenience and concern this may cause.

1. Reason for the Delay in Disclosure Beyond 45 Days

We had been diligently preparing for the disclosure of the semi-annual report for the fiscal year ending September 30, 2025, and as announced today in the “Notice Regarding Completion of Submission of the Semi-Annual Report for the Fiscal Year Ending September 30, 2025,” the semi-annual report has been disclosed as of today.

In light of the time required to complete the procedures related to the third quarter financial results for the same fiscal year, we have decided to postpone the disclosure of the financial results for the third quarter of the fiscal year ending September 2025.

2. Future Schedule

The specific date for announcing the third quarter results will be disclosed promptly once determined.
