Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases requiring them to be repeatedly in and out of hospital, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as “shared hospital beds.”

Notes:

As of the end of December 2022, we expect to operate 65 facilities (3,176 beds).

As of the end of September 2023, we plan to have 77 facilities (3,813 beds).
