Notice of Decision to Open Two Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open two Ishinkan facilities in February and April 2026.

In the fiscal year ending September 30, 2026, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

After opening this facility, we will have twenty two in Tokyo and twelve in Chiba Prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
