## Notice of Decision to Open Five Ishinkan Facilities and Expand One Ishinkan Facility

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open five Ishinkan facilities in September, October, and November 2023 and expand one Ishinkan facility in August 2023.

In the fiscal year ending September 30, 2023 and fiscal year ending September 30, 2024, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

In Aichi prefecture, we will accelerate our dominance development with the opening of these three facilities, following the opening of Ishinkan Yagoto Minamiyama, scheduled for April 2023. In addition, this will be the first time for us to operate in Ishikawa prefecture.

After opening these facilities, we will have six Isinkan in Aichi prefecture, ten in Tokyo and one in Ishikawa prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for chronic and terminal care.
