Notice of Decision to Open Five Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open five Ishinkan facilities in October and November 2025.

In the fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

After opening these facilities, we will have two in Osaka Prefecture, three in Mie Prefecture, eighteen in Kanagawa Prefecture, eleven in Chiba Prefecture, seventeen in Saitama Prefecture and twenty in Tokyo.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
