Notice of Decision to Open Four Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open four Ishinkan facilities in July, August and September 2024.

In the fiscal year ending September 30, 2024, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

After opening these facilities, we will have sixteen Ishinkan in Kanagawa prefecture, seven in Aichi prefecture and fourteen in Tokyo.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for chronic and terminal care.
