## Notice of Decision to Open Four Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open four Ishinkan facilities in May, June, July and August 2025.

In the fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

Since this will be the first time for us to operate in Ehime prefecture, after opening these facilities, we will have two in Ishikawa prefecture, ten in Aichi prefecture, five in Niigata prefecture and one in Ehime prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
