Amvis Opens Ishinkan Omori, Its Seventh Facility in Tokyo

On August 1, 2023, Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) opened its seventh facility in Tokyo, Ishinkan Omori (capacity: 77 beds), in the ward of Ota.

Ishinkan is a healthcare facility with extensive nursing and care systems. It serves as a place where people in chronic and terminal stages of illness, who require round-the-clock nursing and care, and are unable to continue their medical treatment at home or in general nursing care facilities, can live with peace of mind.

Ishinkan is intended to constitute a platform that supports regional medical care by responding to the medical needs of each region. Through the operation of Ishinkan, we aim to strengthen and revitalize regional healthcare.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as platform of regional healthcare.

Notes:

As of the end of August 2023, we expect to operate 72 facilities (3,593beds).

As of the end of September 2023, we plan to have 76 facilities (3,795beds).
