Notice of Decision to Open Three Ishinkan Facilities, Expand One Ishinkan Facility and Change in the Opening Date of “Ishinkan Sakura”

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open three Ishinkan facilities in February, March and May 2024 and expand one Ishinkan facility in November 2023.

In addition, due to the successful completion of the examination based on the Soil Contamination Countermeasures Act, we have decided to open “Ishinkan Sakura” (capacity: 52 beds) in March 2024, which was scheduled to open in June 2024 or later.

In the fiscal year ending September 30, 2024, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

After opening these facilities, we will have twelve Ishinkan in Tokyo and three in Gifu prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for chronic and terminal care.
