Notice of Decision to Open Five Ishinkan Facilities, and Expand One Ishinkan Facility

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open five Ishinkan facilities in February, April, May and July 2025 and expand one Ishinkan facility in April 2025.

In the fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

Since this will be the first time for us to operate in Hiroshima prefecture and Tottori prefecture, after opening these facilities, we will have two in Hyogo prefecture, ten in Chiba prefecture, one in Hiroshima prefecture, one in Tottori prefecture and four in Ibaraki prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
