Notice of Decision to Change in the Opening Date of Two Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) announces that we have decided to change the opening date of two Ishinkan facilities due to change of construction details in accordance with the development consultation in the urbanization control area and change of construction company.

We sincerely apologize for any inconvenience this may cause to those who are looking forward to the openings of our new facilities and to everyone else involved. We would like to ask for your understanding and patience.

Ishinkan Decided to Change the Opening Date

Name	Location	Capacity (beds)	Scheduled opening	
			Before	After
Ishinkan Sakura	Sakura, Chiba Prefecture	52	February 2023	May 2023 or later
Ishinkan Nishi Eifuku	Suginami-ku, Tokyo	62	July 2023	February 2024 or later

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases requiring them to be repeatedly in and out of hospital, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as “shared hospital beds.”

Note:

As of the end of August 2022, we expect to operate 57 facilities (2,750 beds).
