## Notice of Decision to Open Six Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open six Ishinkan facilities in November 2024, February, March, April and May 2025.

In the fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

Since this will be the first time for us to operate in Oita prefecture, Hyogo prefecture and Fukuoka prefecture, after opening these facilities, we will have one in Oita prefecture, nineteen in Tokyo, one in Fukuoka prefecture, one in Hyogo prefecture, and seven in Shizuoka prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
