Notice of Decision to Change in the Opening Date of the Nursing Home “Ishinkan Chiba ekimae”

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) announces that we have decided to open “Ishinkan Chiba ekimae,” which was originally scheduled to open in September 2022, in October 2022 or later due to a delay in the construction period caused by additional work.

Please note that the delay in the opening is not due to the effects of COVID-19.

We sincerely apologize for any inconvenience this may cause to those who are looking forward to the opening of our new facility and to everyone else involved. We would like to ask for your understanding and patience.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases requiring them to be repeatedly in and out of hospital, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as “shared hospital beds.”

Note:

As of the end of December 2021, we expect to operate 48 facilities (2,289 beds).
