Notice of Decision to Open Four Ishinkan Facilities, Including the First Expansion into the Kyushu and Shikoku Areas

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open four Ishinkan facilities in September, October, November and December 2024.

In the fiscal year ending September 30, 2024 and fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

This will be the first time for us to expand into the Kyushu area, including Miyazaki prefecture, and the Shikoku area, including Kagawa prefecture.

Since this will be the first time for us to operate in Shiga prefecture, Miyazaki prefecture and Kagawa prefecture, after opening these facilities, we will have one Ishinkan in Shiga prefecture, one in Miyazaki prefecture, seventeen in Kanagawa prefecture and one in Kagawa prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as platform of regional healthcare.

Note:

As of the end of January 2024, we expect to operate 82 facilities (4,098 beds).
