## Notice of Decision to Open Three Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open three Ishinkan facilities in December 2024.

In the fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

After opening these facilities, we will have fifteen Ishinkan in Saitama prefecture, two in Toyama prefecture, and seventeen in Tokyo.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.
