Notice of Decision to Open Three Ishinkan Facilities

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) has decided to open three Ishinkan facilities in August and October 2024.

In the fiscal year ending September 30, 2024 and fiscal year ending September 30, 2025, we are accelerating deployment in the Tokyo metro area where demand is high. At the same time, we plan to continue expanding into regional cities which have high barriers to entry.

Since this will be the first time for us to operate in Toyama prefecture, after opening these facilities, we will have one Ishinkan in Toyama prefecture, sixteen in Tokyo and nine in Aichi prefecture.

As medical care shifts from hospital-based to community-based care, we aim to strengthen regional healthcare by proactively opening Ishinkan in areas with high needs for terminal care.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as platform of regional healthcare.

Note:

As of the end of December 2023, we expect to operate 82 facilities (4,098 beds).
