Notice of Decision to Change in the Opening Date of the Nursing Home “Ishinkan Sakura”

Amvis, Inc. (Chuo-ku, Tokyo; Representative Director and CEO: Keiichi Shibahara) announces that we have decided to open “Ishinkan Sakura” (capacity: 52 beds), which was previously scheduled to open in May 2023 or later, in June 2024 or later due to conducting examination and investigation based on the Soil Contamination Countermeasures Act because of soil contamination found in the residual soil.

We sincerely apologize for any inconvenience this may cause to those who are looking forward to the opening of our new facility and to everyone else involved. We would like to ask for your understanding and patience.

Overview of Ishinkan, operated by the Amvis Group

Ishinkan is a healthcare facility in which nurses and other caregivers provide round-the-clock care. Ishinkan actively accepts patients who are in the terminal stage of cancer, who are on respirators, who have had tracheostomies, who have specific diseases, or who require end-of-life nursing and caregiving. Ishinkan actively cooperates with regional medical institutions, pharmacies, and nursing care facilities, and functions as platform of regional healthcare.

Note:

As of the end of January 2023, we expect to operate 65 facilities (3,176 beds).
